Each Secured Note shall bear interest on the principal amount thereof from time to time outstanding from the date thereof until June 30, 1981, at a rate per annum equal to the Interbank Rate offered to Credit Lyonnais, New York branch, for a sum equal to the principal sums of all Secured Notes issued or such Closing Date and for a term equal to the number of days from such Closing Date to June 30, 1981, plus 1.00%, and from June 30, 1981 until the principal is paid at the rate of 15.25% per annum (computed in each case on the basis of a 360-day year of twelve 30-day months). The interest and principal of such Secured Note shall be payable as follows: (i) one installment of interest only on June 30, 1981 and (ii) thereafter in 40 consecutive installments of principal and interest on each January 2 and July 2, commencing January 2, 1982, and ending on July 2, 2001, each in an amount equal to the percentage of the original principal amount of such Secured Note set forth in Schedule B to this Indenture, except that the last such payment of principal and interest shall in all events be in an amount sufficient to discharge the accrued interest on, and unpaid principal of, such Secured Note. Each Secured Note shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) at 16.25% per annum, or at such lesser rate as shall be the highest rate a borrower such as the Owner may pay by law, on any part of principal and (to the extent permitted by applicable law) interest not paid when due for any period during which the same shall be overdue.

The Owner may, but shall not be obligated to, pay the interest to become due on any January 2 or July 2 on all (but not less than all) of the Secured Notes not more than five Business Days prior to such January 2 or July 2 in immediately available funds in such amount at the office of the

Loan Trustee. The Loan Trustee shall hold such amount as part of the Trust Indenture Estate and apply such amount, together with payments of Basic Rent under Section 5 of the Lease, in the manner provided in Section 3.01 hereof; provided, however, that the payment of any such amount by the Owner shall not relieve the Lessee of making any payment of Rent under Section 5 of the Lease or any other amount payable under the Lease or reduce the amount of any such payment.

SECTION 2.03. Payments from Trust Indenture Estate Only. All payments to be made by the Owner or the Loan Trustee under the Secured Notes and under this Indenture shall be made only from the income and the proceeds from the Trust Indenture Estate and only to the extent that the Loan Trustee shall have sufficient income or proceeds from the Trust Indenture Estate to make such payments to each holder of a Secured Note in accordance with Article III or Article V hereof. Each holder of a Secured Note, by its acceptance of such Secured Note, agrees that it will look solely to the income and proceeds from the Trust Indenture Estate to the extent available for distribution to such holder as herein provided and that neither the Owner nor the Loan Trustee shall be personally liable to the holder of any Secured Note for any amounts payable under any Secured Note or this Indenture except as to the Owner as expressly provided in Section 6.10 hereof, and except for any fraud or intentional misrepresentation by the Owner.

SECTION 2.04. Method of Payment. The principal of, premium, if any, and interest on each Secured Note will be payable on their respective due dates at the office of the Loan Trustee at 2 Hopkins Plaza, Baltimore, Maryland 21201, or at the office of any successor Loan Trustee, in immediately available funds. If such payment or any other payment required to be made in immediately available funds is made by federal funds wire transfer, the payor's obligation for timely payment shall be fulfilled by the payor's initiating such transfer, obtaining therefor a wire transfer number and notifying the payee of such number. Notwithstanding the foregoing or any provision in any Secured Note to the contrary, the Loan Trustee will pay from the Trust Indenture Estate, if so requested by the holder of any Secured Note by written notice given to the Loan Trustee at any time (but not less than five business days before any payment hereunder), all amounts payable by the Loan Trustee to such holder (i) by transferring the amount to be distributed to such holder by wire of immediately available funds to such bank in the United States, including a Federal Reserve Bank, as shall have been specified in such notice, for credit to the account of such holder maintained at such bank, (ii) by making a draft in immediately available funds available to such holder, at such address as such holder shall have specified in such notice or (iii) by any other method requested by such holder which is acceptable to the Loan Trustee. The information in Schedule C attached hereto with respect to the Purchaser shall meet the requirement of notice with respect to the matters

specified therein. In the case of the final payment with respect to any Secured Note, such Secured Note shall be surrendered to the Loan Trustee for cancellation. In the case of any partial prepayment of the principal of any Secured Note, such Secured Note may be surrendered to the Loan Trustee in exchange for a new Secured Note pursuant to Section 4.04 hereof. In other cases, if the holder so elects, payment shall be made without any presentment or surrender of any Secured Note. The Owner and the Loan Trustee may deem and treat the person in whose name any Secured Note shall have been issued and registered as the absolute owner and holder of such Secured Note for the purpose of receiving payment of all amounts payable by the Owner with respect to such Secured Note and for all other purposes, and neither the Owner nor the Loan Trustee shall be affected by any notice to the contrary.

The Owner agrees that, notwithstanding any provision of any Secured Note or of this Section 2.04 to the contrary, if the holder of a Secured Note is an original party to the Participation Agreement or a nominee thereof the Loan Trustee will pay to such holder in the manner specified by such holder, all amounts payable in respect of principal, premium, if any, and interest on such Secured Note without presentment thereof and without any notation of such payment being made on such Secured Note. In the event such holder shall sell, transfer or otherwise dispose of any Secured Note, such holder will, prior to the delivery of such Secured Note, make or cause to be made a notation thereon of the date to which interest has been paid thereon, and if not theretofore made, a notation on such Secured Note of the extent to which payment has been made on account of the principal thereof and shall cause written confirmation of such notations to be forwarded to the Loan Trustee.

SECTION 2.05. Termination of Interest in Trust Indenture Estate. A holder of a Secured Note shall have no further interest in, or other right with respect to, the Trust Indenture Estate and this Indenture shall terminate when and if all obligations of the Owner under this Indenture have been performed and the principal of, premium, if any, and interest on all Secured Notes held by such holder and all other sums payable to such holder hereunder and under such Secured Notes shall have been paid in full.

SECTION 2.06. Registration of Secured Notes; Registration of Transfer and Exchange. The Loan Trustee shall maintain at its office a register for the purpose of registering transfers and exchanges of Secured Notes. A holder of a Secured Note intending to transfer any of the outstanding Secured Notes held by such holder to a new payee, or to exchange any of such outstanding Secured Notes for new Secured Notes of authorized denominations, shall surrender such outstanding Secured Note or Secured Notes at the Corporate Trust Office of the Loan Trustee, together with a written request from such holder for the issuance of a new Secured Note or Secured Notes, specifying the name and address of the new payee or payees. If required by the Loan Trustee, the Secured Note or Secured

Notes so surrendered shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Loan Trustee duly executed by such holder or his duly authorized attorney. Promptly upon receipt of such documents the Loan Trustee will cause the Owner to execute and the Loan Trustee will authenticate and deliver a new Secured Note or Secured Notes of the same type in the same aggregate original face amount and dated the same date or dates as the Secured Note or Secured Notes surrendered, and in such denomination or denominations and registered in the name of and payable to the order of such payee or payees as shall be specified in the written request from such holder; provided, however, that if more than one new Secured Note is to be issued upon a transfer or exchange of an outstanding Secured Note, the denomination of each such new Secured Note shall be not less than \$50,000 (except for any required balance pieces). The Loan Trustee shall make a notation on each new Secured Note of the amount of all payments of principal previously made on the old Secured Note or Notes with respect to which such new Secured Note is issued and the date to which interest on such old Secured Note or Notes has been paid. The Loan Trustee shall not be required to transfer or exchange any surrendered Secured Note as above provided during the period of five Business days preceding the due date of any payment on such Secured Note.

SECTION 2.07. Mutilated, Destroyed, Lost or Stolen Secured Notes. If any Secured Note shall become mutilated, destroyed, lost or stolen, the Loan Trustee shall, upon the written request of the holder of such Secured Note, cause the Owner to execute, and the Loan Trustee shall authenticate and deliver to such holder, in replacement thereof, a new Secured Note of the same type in the same face amount and dated the same date as the Secured Note so mutilated, destroyed, lost or stolen. If the Secured Note being replaced has become mutilated, such Secured Note shall be surrendered to the Loan Trustee. If the Secured Note being replaced has been destroyed, lost or stolen, the holder of such Secured Note shall furnish to the Loan Trustee and the Owner such security or indemnity as may be required by them to save each of them harmless and evidence satisfactory to the Loan Trustee and the Owner of the destruction, loss or theft of such Secured Note and the ownership thereof; provided, however, that if the holder of such Secured Note is an original party to the Participation Agreement, the written undertaking of such holder delivered to the Loan Trustee and the Owner shall be sufficient security and indemnity.

SECTION 2.08. Payment of Expenses on Transfer. Upon the issuance of a new Secured Note or Secured Notes pursuant to Section 2.06 or 2.07 hereof or the transfer of a Secured Note by a Participant pursuant to Section 2.04 hereof, the Loan Trustee may require from the party requesting such new Secured Note or Notes payment of a sum sufficient to reimburse the Owner and the Loan Trustee for, or to provide funds for, the payment of any tax or other governmental charge or any charges and expenses connected with such tax or other governmental charge paid or payable by the Owner or the Loan Trustee in connection with such issuance.

ARTICLE III

RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE TRUST INDENTURE ESTATE

SECTION 3.01. Receipt of Funds. (a) Except as otherwise provided in Section 3.03 hereof, each of the payments of Rent (including those payable with respect to any renewal of the Lease), as well as any interest on overdue installments of such Rent, received by the Loan Trustee as part of the Trust Indenture Estate shall be distributed by the Loan Trustee on the date on which such payment is due from the Lessee (or as soon thereafter as such payment shall be received by the Loan Trustee) in the following order of priority; first, so much of such payment as shall be required to pay in full the interest (including interest on overdue principal or interest) then due under all outstanding Secured Notes shall be distributed to the holders of such Secured Notes ratably, in the proportion that the amount of interest then due under each such Secured Note bears to the aggregate amount of interest then due under all such Secured Notes; second, so much of such payment as shall be required to pay in full the aggregate principal amount then due (whether by maturity, prepayment, acceleration or otherwise) under all outstanding Secured Notes shall be distributed to the holders of such Secured Notes ratably, in the proportion that the principal amount then due under each such Secured Note bears to the aggregate principal amount then due under all such Secured Notes; and third, the balance, if any, of such payment remaining thereafter shall be distributed to the Owner.

(b) Each of the payments made by the Owner to the Loan Trustee with respect to payment of interest on the Secured Notes shall be distributed by the Loan Trustee on the date on which such payment is due (or as soon thereafter as such payment shall be received by the Loan Trustee) in the manner set forth in the first clause of Section 3.01(a) immediately preceding.

SECTION 3.02. Prepayments. Except as otherwise provided in Section 3.03 hereof, if the Owner delivers to the Loan Trustee (a) notice duly delivered pursuant to Section 11 of the Lease by the Lessee to the Owner of a Casualty Occurrence with respect to a Unit or (b) notice duly delivered pursuant to Section 4(b) of the Lease by the Lessee to the Owner of a termination of the Lease with respect to a Unit, which notice has not been rescinded pursuant to Section 4(b), the Loan Trustee shall cause to be prepaid, without premium, in accordance with and subject to the provisions of Article IV hereof, on (i) the date on which the Casualty Loss Value for such Unit is paid to the Owner under the Lease, or (ii) if the Lease as to such Unit has terminated pursuant to Section 4(b) of the Lease, the Termination Date specified in said Section 4(b), as the case may be, Secured Notes originally issued on the Delivery Date for such Unit in an

aggregate principal amount equal to the product obtained by multiplying the principal amount of such Secured Notes outstanding at the time of such prepayment by a fraction, the numerator of which shall be Lessor's Cost of such Unit and the denominator of which shall be Lessor's Cost of all Units having the same Delivery Date and still subject to the Lease (including such Unit). The amount paid to the Loan Trustee under Section 11 or Section 4(b), as the case may be, of the Lease as (y) the Casualty Loss Value for a Unit or (z) the Termination Value for a Unit (together with any amounts received by the Loan Trustee under Section 4(b) of the Lease which are to be applied in reduction of the Lessee's obligation to pay such Termination Value), as the case may be, shall be distributed in the following order of priority: first, so much of such payment or other amounts as shall be required to prepay the Secured Notes to be prepaid, together with interest accrued on the principal amount prepaid to the date of prepayment, shall be applied to such prepayment on the date fixed for such prepayment (or as soon thereafter as the Secured Notes to be prepaid shall be surrendered to the Loan Trustee in accordance with Section 4.04 hereof); and second, the balance, if any, of such payment or other amounts remaining after such prepayment or provision therefor shall be distributed on the date fixed for such prepayment to the Owner.

SECTION 3.03. Payment After Event of Default. All payments received and amounts realized by the Loan Trustee as part of the Trust Indenture Estate after an Event of Default shall have occurred and be continuing and after the Loan Trustee has declared the Lease to be in default pursuant to Section 19 thereof (including any amounts realized by the Loan Trustee from the exercise of any remedies pursuant to Section 19 of the Lease), as well as all payments or amounts then held by the Loan Trustee as part of the Trust Indenture Estate while such Event of Default shall be continuing (except any amounts held by the Loan Trustee for prepayment of Secured Notes or portions thereof which became due and payable before the Loan Trustee declared the Lease to be in default), shall be distributed forthwith by the Loan Trustee in the following order of priority: first, so much of such payments or amounts as shall be required to reimburse the Loan Trustee for any tax, expense or other loss (including reasonable attorneys' fees and disbursements, which shall include attorneys' fees and disbursements on appeal) incurred by the Loan Trustee (to the extent not previously reimbursed and to the extent incurred in connection with its duties as Loan Trustee) and to pay the reasonable remuneration of the Loan Trustee shall be distributed to the Loan Trustee; second, so much of such payments or amounts as shall be required to reimburse any holders of Secured Notes for any expenses incurred pursuant to Section 6.04 hereof shall be distributed to such holders ratably, in proportion to the expenses incurred by each such holder; third, so much of such payments or amounts remaining as shall be required to pay the interest accrued to the date of distribution under all outstanding Secured Notes shall be distributed to the holders of such Secured Notes ratably, in

the proportion that the amount of interest so accrued under each such Secured Note bears to the aggregate amount of interest so accrued under all such Secured Notes; fourth, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid principal amount (without premium) of all outstanding Secured Notes shall be distributed to the holders of such Secured Notes ratably, in the proportion that the unpaid principal amount of each such Secured Note bears to the aggregate unpaid principal amount of all such Secured Notes; and fifth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to the Owner.

SECTION 3.04. Application of Payments According to Lease Provisions. Except as otherwise provided in Section 3.03 hereof, any payments received by the Loan Trustee provision for the application of which is made in the Lease or the Participation Agreement and all payments received by the Loan Trustee which are not part of the Trust Indenture Estate shall be applied as provided in the Lease or the Participation Agreement, as the case may be.

SECTION 3.05. Other Payments. Except as otherwise provided in Sections 3.03 and 3.04 hereof, (i) any payments received by the Loan Trustee for which no provision as to the application thereof is made in the Lease or the Participation Agreement or elsewhere in this Article III, (ii) all payments received and amounts realized by the Loan Trustee under the Lease or otherwise with respect to the Leased Equipment (including, without limitation, all amounts realized upon the sale of the Leased Equipment after the termination of the Lease with respect thereto), to the extent received or realized at any time after payment in full of the principal of, premium, if any, and interest on all Secured Notes has been made or duly provided for, and (iii) any other amount remaining as part of the Trust Indenture Estate after payment in full of the principal of, premium, if any, and interest on all Secured Notes has been made or duly provided for, shall be distributed by the Loan Trustee in the following order of priority, first, in the manner provided in clause "first" of Section 3.03 hereof; and second, in the manner provided in clause "second" of Section 3.03 hereof; and third, in the manner provided in clause "fifth" of Section 3.03 hereof.

SECTION 3.06. Distribution After Event of Default. Anything in this Article III to the contrary notwithstanding, after the Loan Trustee shall have actual knowledge of an Event of Default (or other event which after notice or lapse of time or both would constitute an Event of Default), all amounts which, but for the provisions of this Section 3.06, would otherwise be distributed by the Loan Trustee to the Owner shall be held by the Loan Trustee as part of the Trust Indenture Estate and, if such Event of Default or other event shall cease to be continuing prior to the time such amounts are distributed pursuant to Section 3.03 hereof, such amounts shall be distributed in accordance with Section 3.04, or if such Section is not applicable, to the Owner.

SECTION 3.07. Payment to Owner. The Loan Trustee will pay, if so requested by the Owner by written notice given to the Loan Trustee at any time (but not less than five Business Days before any payment hereunder), all amounts payable by the Loan Trustee to the Owner pursuant to this Article III (i) by transferring the amount to be distributed to the Owner by wire of immediately available funds to such bank in the United States, including a Federal Reserve Bank, as shall have been specified in such notice, for credit to the account of the Owner maintained at such bank, (ii) by making a draft in immediately available funds available to the Owner, at such address as the Owner shall have specified in such notice or (iii) by any other method requested by the Owner which is acceptable to the Loan Trustee. The information in Schedule C attached hereto with respect to the Owner shall meet the requirement of notice with respect to the matters specified therein.

ARTICLE IV

PREPAYMENT OF SECURED NOTES

SECTION 4.01. Applicability of Article. Prepayment of Secured Notes, if required by any provision of Article III hereof, shall be made in accordance with such provisions and this Article IV.

SECTION 4.02. Selection of Secured Notes to be Prepaid. If less than all of the outstanding Secured Notes are to be prepaid at any time, the Loan Trustee shall select the Secured Notes or portions of Secured Notes to be prepaid in the following manner: the Loan Trustee shall prorate the aggregate principal amount of Secured Notes to be prepaid among all holders of Secured Notes at the time outstanding in proportion (calculated to the nearest \$1) to the respective aggregate unpaid principal amounts of Secured Notes held by each holder and shall then, in its discretion, select for prepayment from the Secured Notes held by each holder specific Secured Notes or portions thereof. If any holder of two or more Secured Notes shall have so requested by written notice to the Loan Trustee, any of such Secured Notes as shall have been specified by such holder in such notice shall be treated for purposes of this Section 4.02 as held by separate holders.

SECTION 4.03. Notice of Prepayment. Within 5 Business Days after its receipt of any of the notices with respect to events giving rise to prepayment of the Secured Notes pursuant to Section 3.02 hereof, the Loan Trustee shall give notice of prepayment to each holder of a Secured Note to be prepaid in whole or in part specifying the date of prepayment, which date shall be the date specified in such notice received by the Loan Trustee. Such notices shall (i) specify the provisions of this Indenture pursuant to which such prepayment is to be made and the aggregate amount of such prepayment, (ii) if less than all outstanding Secured Notes are to be

prepaid, specify the principal amount and number of each Secured Note to be prepaid, (iii) designate the date for such prepayment in accordance with this Section 4.03, and (iv) state that on said date there will become and be due and payable upon each such Secured Note, at the Corporate Trust Office of the Loan Trustee, the amount of the principal thereof and premium, if any, so specified, together with accrued interest on such specified principal amount to said date, and that from and after said date interest on such specified amount shall cease to accrue. Such written notice or notices shall be given in the manner specified in Section 10.05 hereof.

SECTION 4.04. Surrender of Secured Notes and Payment. If any notice of prepayment shall have been given as provided in Section 4.03 hereof, the Secured Notes (or specified portions thereof) designated for prepayment shall become due and payable on the date and at the place specified in said notice in accordance with Section 2.04 hereof, together with interest accrued on the principal amounts to be prepaid to the prepayment date and premiums, if any. Upon presentation and surrender of any Secured Note to be prepaid in part only, the Loan Trustee will cause the Owner to execute, and the Loan Trustee will authenticate and deliver, without charge to the holder thereof, one or more new Secured Notes having an aggregate face amount determined by multiplying the face amount of the Secured Note so prepaid by a fraction, the numerator of which is the unpaid principal amount of said Secured Note immediately after such prepayment and the denominator of which is the unpaid principal amount of such Secured Note immediately prior to such prepayment. Each Secured Note so issued shall be dated the same date and payable to the order of the same payee as the Secured Note so surrendered and shall indicate the then unpaid principal amount of such Note. All Secured Notes surrendered for prepayment as a whole or in part pursuant to this Article IV shall be forthwith cancelled by the Loan Trustee.

SECTION 4.05. Cessation of Interest. If any Secured Note or specified portion thereof shall have become due and payable as provided in Section 4.04 hereof and the Loan Trustee shall have received funds available and in amount sufficient to effect such prepayment, interest shall cease to accrue on such Secured Note or specified portion thereof on and after the date specified for prepayment thereof.

ARTICLE V

REMEDIES OF THE LOAN TRUSTEE

SECTION 5.01. Occurrence of Event of Default; Acceleration.
(a)(i) If the Owner shall default in performance of any of its obligations hereunder, under any Secured Note or under the Participation Agreement and such default shall continue for twenty (20) days after written notice thereof to the Owner from the Loan Trustee (hereinafter in this Article V

called an "Owner Default") and so long as such default shall thereafter be continuing, or (ii) if an Event of Default shall have occurred and the Lease shall have been declared in default, then, and in every such case, subject however, to the Owner's rights under Section 5.03 hereof, the Loan Trustee, as assignee hereunder of the Lease or as secured party hereunder of the property included in the Trust Indenture Estate or otherwise, may, and when required pursuant to the provisions of Article VI hereof shall, exercise any or all of the rights and powers and pursue any and all of the remedies pursuant to Section 19 of the Lease and this Article V and may take possession of all or any part of the properties (hereinafter in this Article V called the "Mortgaged Property") covered or intended to be covered by the lien created hereby or pursuant hereto and may exclude the Owner, the Lessee and all persons claiming under any of them wholly or partly therefrom.

(b) (i) In the event the Loan Trustee shall at any time declare the Lease to be in default pursuant to Section 19 thereof, or (ii) upon the occurrence of any Owner Default and at any time thereafter so long as the same shall be continuing, the Loan Trustee may by written notice to the Owner declare the entire principal amount of all Secured Notes to be due and payable, whereupon the unpaid principal amount of all Secured Notes then outstanding with accrued interest thereon shall immediately become due and payable without further act or notice of any kind.

SECTION 5.02. Taking Possession of Mortgaged Property; Rights of Loan Trustee. The Owner agrees, to the full extent that it lawfully may, that, in case (i) one or more of the Events of Default shall have occurred and be continuing and after the Lease shall have been declared in default, or (ii) upon the occurrence of any Owner Default and at any time thereafter so long as the same shall be continuing, then, and in every such case, the Loan Trustee may take possession of all or any part of the Mortgaged Property and may exclude the Owner and all persons claiming under the Owner wholly or partly therefrom. The Loan Trustee may, if at the time such action may be lawful and always subject to compliance with any mandatory legal requirements, either with or without taking possession and either before or after taking possession, and without instituting any legal proceedings whatsoever, sell all and singular the Mortgaged Property and all estate, right, title, interest, claim and demand therein, at one or more public or private sales, as an entirety or otherwise, and at such time and place and upon such terms as the Loan Trustee may fix and specify in the notice of sale to be given to the Owner in writing at least fifteen (15) days prior to the date of such sale, or as may be required by law. At any such sale the holder of all outstanding Secured Notes, or its agent may, to the extent permitted by applicable law, bid for and purchase all or part of the Mortgaged Property offered for sale, may use any claim for amounts then due and payable to such holder by the Owner under the Secured Notes or otherwise, or damage to such holder

resulting from the breach by the Owner of any of the agreements, covenants or provisions herein or in the Participation Agreement as a credit against the purchase price and, upon compliance in full with the terms of such sale, may hold, retain, and dispose of such Mortgaged Property without further accountability therefor to the Owner or any other party.

To the extent that it lawfully may, the Owner agrees that it will not at any time insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any applicable present or future stay, extension or moratorium law which may affect observance or performance of the provisions of this Indenture or the Secured Notes; nor claim, take or insist upon any benefit or advantage of any present or future law providing for the valuation or appraisal of the Mortgaged Property or any portion thereof prior to any sale or sales thereof which may be made under or by virtue of this Article V; nor after any such sale or sales, claim or exercise any right, under any applicable present or future law or otherwise, to redeem the Mortgaged Property or any portion thereof so sold; and the Owner, to the extent that it lawfully may, expressly waives all benefit or advantage of any such law or laws, and covenants not to hinder, delay or impede the exercise of any right or remedy herein permitted to be exercised by the Loan Trustee, but to suffer and permit the exercise of every such right or remedy as though no such law or laws were in effect. The Owner, for itself and all who may claim under it, waives, to the extent that it lawfully may, all right to have the Mortgaged Property or any other security for the Secured Notes or any thereof marshalled upon any foreclosure. At the request of the Loan Trustee, the Owner shall promptly execute and deliver to the Loan Trustee such instruments of title and other documents as the Loan Trustee may deem necessary or advisable to enable the Loan Trustee or an agent or representative designated by the Loan Trustee, at such time or times and place or places as the Loan Trustee may specify, to obtain possession of all or any part or any rights in respect of the Mortgaged Property to the possession of which the Loan Trustee shall at the time be entitled hereunder. If the Owner shall for any reason fail to execute and deliver such instruments and documents after such demand by the Loan Trustee, the Loan Trustee may (a) obtain a judgment conferring on the Loan Trustee the right to immediate possession and requiring the Owner to deliver such instruments and documents to the Loan Trustee, to the entry of which judgment the Owner hereby specifically consents, and (b) pursue all or part of such Mortgaged Property wherever it may be found and may enter any of the premises of the Lessee wherever such Mortgaged Property may be, or may be supposed to be, and search for such Mortgaged Property and take possession of and remove such Mortgaged Property. Upon every such taking of possession, the Loan Trustee may, from time to time, at the expense of the Trust Indenture Estate, make all such reasonable expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Mortgaged Property, as the Loan Trustee

may deem proper. In each such case, the Loan Trustee shall have the right to use, operate, store, control or manage the Mortgaged Property and to carry on the business and to exercise all rights and powers of the Owner relating to the Mortgaged Property as the Loan Trustee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, operation, leasing, storage or disposition of the Mortgaged Property or any part thereof as the Loan Trustee may determine; and the Loan Trustee shall be entitled to collect and receive all tolls, rents, revenues, issues, income, products and profits of the Mortgaged Property and every part thereof, without prejudice, however, to the right of the Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Loan Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of holding and operating the Mortgaged Property and of conducting the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Loan Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Mortgaged Property or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the properties and books and records of the Owner), and all other payments which the Loan Trustee may be required or authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of the Loan Trustee, and of all persons properly engaged and employed by the Loan Trustee.

SECTION 5.03. Certain Rights of Owner. The Loan Trustee shall give the holders of the Secured Notes and the Owner prompt telephonic and written notice of any Event of Default of which the Loan Trustee has actual knowledge (as provided in Section 6.01 hereof) and shall give the holders of the Secured Notes and the Owner not less than ten (10) days' prior written notice of the date (herein called the "Enforcement Date") on which the Loan Trustee will exercise any remedy or remedies pursuant to Sections 5.01 and 5.02 hereof. If an Event of Default shall have occurred and be continuing, the Owner shall have the following rights hereunder:

(a) Right to Cure. If as a result of the occurrence of an Event of Default in respect of the payment of Basic Rent under the Lease, the Loan Trustee shall have insufficient funds to pay any payment of principal and interest on any Secured Note on the day it becomes due and payable, the Owner may, but shall not be obligated to, pay to the Loan Trustee prior to the Enforcement Date, an amount equal to any principal and interest (including interest, if any, on overdue payments of principal and interest) then due and payable on the Secured Notes. If the Owner makes such payment prior to the Enforcement Date, such payment shall be deemed to cure any Event of Default in respect of the nonpayment by the Lessee of Basic Rent under the Lease; provided, however, that such right to cure shall be subject to the following limitations:

(i) no more than two consecutive Events of Default in respect of the payment of Basic Rent may be cured through the exercise of such right; and

(ii) no more than six Events of Default in respect of the payment of Basic Rent may be cured through the exercise of such right.

Except as hereinafter in this Section 5.03(a) provided, the Owner, upon exercising the right to remedy any such Event of Default, shall not obtain any lien, charge or encumbrance of any kind on the Leased Equipment or any part thereof or any part of the Trust Indenture Estate or on account of costs or expenses incurred in connection with the exercise of such right nor shall any claims of the Owner against the Lessee or any other party for the repayment of such costs or expenses impair the prior right and security interest of the Loan Trustee in and to the Trust Indenture Estate. Upon such payment by the Owner of the amount of principal and interest then due and payable on the Secured Notes, the Owner shall be subrogated to the rights of the Loan Trustee and the holders of the Secured Notes in respect of the Basic Rent which was overdue at the time of such payment and interest payable by the Lessee on account of its being overdue, and therefore, if no other Event of Default shall have occurred and be continuing and if all principal and interest payments due on the Secured Notes have been paid at the time of receipt by the Loan Trustee of such Basic Rent, the Owner shall be entitled to receive such Basic Rent and such interest upon receipt thereof by the Loan Trustee; provided, however, that (i) in the event the principal and interest on the Secured Notes shall have at any time become due and payable pursuant to Section 5.01(b) hereof, such subrogation shall, until all principal of and interest on all Secured Notes shall have been paid in full, be subordinate to the rights of the Loan Trustee and the holders of the Secured Notes in respect of such payment of Basic Rent and such interest on such overdue Basic Rent, and (ii) the Owner shall not be entitled to seek to recover any such payment (or any payment in lieu thereof) except pursuant to the foregoing subordinated right of subrogation.

(b) Option to Purchase Secured Notes. At any time after the Lease has been declared in default pursuant to Section 19 thereof and upon the written request of the Owner, each holder of a Secured Notes agrees that it will, upon receipt from the Owner of an amount equal to the aggregate unpaid principal amount of all Secured Notes then held by such holder, together with accrued interest thereon to the date of payment, plus any other sums then due and payable to such holder hereunder or under the Participation Agreement, the Lease or the Secured Notes, forthwith sell, assign, transfer and convey to the Owner (without recourse or warranty of any kind), all of the right title and interest of such holder in and to

this Indenture, the Trust Indenture Estate and the Secured Notes held by such holder, and the Owner shall assume all of such holder's obligations under the Participation Agreement. If the Owner shall so request, such holder will comply with all the provisions of Section 2.06 hereof to enable new Secured Notes to be issued to the Owner in such denominations and registrations as the Owner shall request. All charges and expenses required pursuant to Section 2.08 hereof in connection with the issuance of any such new Secured Note shall be paid by the Owner.

SECTION 5.04. Remedies Cumulative. Each and every right, power and remedy herein specifically given to the Loan Trustee in this Indenture or otherwise existing shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Loan Trustee, in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner or the Lessee or to be an acquiescence therein. No waiver by the Loan Trustee of any Owner Default or Event of Default shall be deemed to be a waiver of any other or similar, previous or subsequent Owner Default or Event of Default.

SECTION 5.05. Discontinuance of Proceedings. In case the Loan Trustee shall have proceeded to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Loan Trustee, then and in every such case the Owner, the Loan Trustee and the Lessee shall be restored to their former positions and rights hereunder with respect to the Mortgaged Property, and all rights, remedies and powers of the Loan Trustee shall continue as if no such proceedings had been taken.

SECTION 5.06. No Action Contrary to Rights under Lease. Notwithstanding any of the provisions of this Indenture to the contrary, neither the Owner nor the Loan Trustee shall, in the absence of an Event of Default and the Lease having been declared to be in default, take any action contrary to the rights of the Lessee under the Lease, including its rights under Section 23 of the Lease, except in accordance with the provisions of the Lease.

ARTICLE VI

DUTIES OF THE OWNER AND THE LOAN TRUSTEE

SECTION 6.01. Action Upon Event of Default. In the event the Owner shall have actual knowledge of an Event of Default, the Owner shall give prompt written notice of such Event of Default to the Loan Trustee and each holder of a Secured Note sent by first class registered mail, postage prepaid. In the event the Loan Trustee shall have actual knowledge of an Event of Default, the Loan Trustee shall give prompt notice thereof in the same way to the Owner and each holder of a Secured Note. Subject to the terms of Section 6.04 hereof, the Loan Trustee shall take such action, or refrain from taking such action, with respect to such Event of Default as the Loan Trustee shall be instructed in writing by a Majority in Interest of Purchasers. If the Loan Trustee shall not have received instructions as above provided within 20 days after the mailing of notice of such Event of Default to the holders of Secured Notes, the Loan Trustee shall take such action, or refrain from taking such action with respect to such Event of Default as the Loan Trustee shall determine to be advisable in the best interests of the holders of the Secured Notes, and shall use the same degree of care and skill in connection therewith as a prudent man would use under the circumstances in the conduct of his own affairs. For all purposes of this Indenture, in the absence of actual knowledge of a Responsible Officer of the Loan Trustee in its Corporate Trust Department, the Loan Trustee shall not be deemed to have knowledge of an Event of Default (except the failure of the Lessee to pay any installment of Basic Rent within two Business days after the same shall become due, the failure of the Lessee to maintain insurance as required under Section 7 of the Lease if the Loan Trustee shall receive notice thereof from an insurer or broker or the failure of the Lessee or the Guarantor to pay any other amount to the Loan Trustee after the Loan Trustee shall have received notice of intent to make any such payment) unless notified in writing thereof by a holder of a Secured Note, the Owner or the Lessee.

SECTION 6.02. Action Upon Instructions Generally. Subject to the terms of Sections 6.01, 6.04 and 9.01 hereof, upon the written instructions at any time and from time to time of a Majority in Interest of Investors or, in the case of clause (a) below, a Majority in Interest of Purchasers, the Loan Trustee shall take such of the following actions as may be specified in such instructions: (a) upon the occurrence of any Event of Default, declare the Lease to be in default pursuant to Section 19 thereof, (b) give such notice or direction or grant any waiver or exercise such other right, remedy or power hereunder or under any of the Assigned Documents or in respect of any part or all of the Trust Indenture Estate as shall be specified in such instructions and (c) approve as satisfactory to it all matters required by the terms of any of the Assigned Documents to be satisfactory to the Owner (or its assigns), it being

understood that without the written instructions of a Majority in Interest of Investors the Loan Trustee shall not approve any such matters as satisfactory to it. The Owner and the Loan Trustee will execute and file such deeds, conveyances, financing statements, continuation statements with respect to financing statements and such other documents relating to the security interest created hereunder in the Trust Indenture Estate as may be specified from time to time in written instructions of a Majority in Interest of Purchasers (which instructions may, by their terms, be operative only at a future date and which shall be accompanied by the form of such documents so to be filed).

SECTION 6.03. Release of Equipment. (a) So long as no Event of Default (or other event which after notice or lapse of time or both would constitute an Event of Default) has occurred and is continuing, upon partial termination of the Lease with respect to a Unit or Units pursuant to Section 4(b) or 11 of the Lease and after payment in full of the principal amount of Secured Notes, together with accrued interest thereon, to be prepaid in connection therewith pursuant to Section 3.02 hereof, the Loan Trustee shall at the expense of the requesting party, execute and deliver to, or as directed by, the Lessee or the Owner, as the case may be, such instruments (in due form for recording) as may be reasonably requested and furnished by the Lessee or the Owner, as the case may be, releasing such Unit or Units from the lien of this Indenture and from the assignment and pledge hereunder.

(b) So long as no Event of Default (or other event which after notice or lapse of time or both would constitute an Event of Default) has occurred and is continuing, after payment in full of all the principal of, premium, if any, and interest on all Secured Notes and any other sums payable hereunder or under the Secured Notes to the holders thereof, the Loan Trustee shall, upon the written request and at the expense of the Owner, execute and deliver to, or as directed by, the Owner such instruments (in due form for recording) as may be reasonably requested and furnished by the Owner releasing the Leased Equipment from the lien of this Indenture and releasing the Trust Indenture Estate from the assignment and pledge thereof hereunder.

SECTION 6.04. Indemnification, etc. The Loan Trustee shall not be required to take any action or refrain from taking any action under Sections 6.01, 6.02, 6.03 or 6.08 or Article V hereof or towards the execution or enforcement of the trusts hereby created or otherwise hereunder, whether on its own motion or on the request of any other person which, in its opinion, shall be likely to involve expense or liability, unless one or more of the holders of the Secured Notes, from time to time, shall offer and furnish to the Loan Trustee indemnity, deemed reasonable by the Loan Trustee, against all liability, costs and expenses (including reasonable attorneys' fees, reasonable compensation of the Loan

Trustee and disbursements on appeal), provided, however, that the Loan Trustee shall be required to execute and file continuation statements with respect to financing statements, if so instructed by a Majority in Interest of Purchasers pursuant to Section 6.02 hereof, and the Loan Trustee's compensation for such execution and filing shall be included in its periodic fees and expenses as provided in Section 7.07 hereof. The Loan Trustee shall not be required to take any action under Section 6.01, 6.02, 6.03 or 6.08 or Article V hereof, nor shall any other provision of this Indenture be deemed to impose a duty on the Loan Trustee to take any action, if the Loan Trustee shall have been advised by counsel (who shall not be an employee of the Loan Trustee) that such action is contrary to the terms hereof or of any of the documents contemplated hereby to which the Loan Trustee is a party or is otherwise contrary to law.

SECTION 6.05. No Duties Except as Specified. It is expressly agreed that anything herein contained to the contrary notwithstanding, the Loan Trustee shall have no obligation or liability under any of the Assigned Documents by reason of or arising out of the assignment thereof contained herein, nor shall the Loan Trustee be required or obligated in any manner, except as expressly provided herein, to perform or fulfill any obligations of the Owner under or pursuant to any of the Assigned Documents, or to make an payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or, times. The Loan Trustee shall not have any duty or obligation to manage, control, use, sell, dispose of or otherwise deal with the Leased Equipment or any other part of the Trust Indenture Estate, or otherwise to take or refrain from taking any action under, or in connection with, this Indenture except as expressly provided by the terms of this Indenture or as expressly provided in written instructions from a Majority in Interest of Purchasers or a Majority in Interest of Investors received pursuant to the terms of Section 6.01 or 6.02 hereof; and no implied duties or obligations shall be read into this Indenture against the Loan Trustee. The Loan Trustee nevertheless agrees that it will, in its individual capacity and at its own cost and expense, promptly take such action as may be necessary duly to discharge all liens and encumbrances on any part of the Trust Indenture Estate or on any properties of the Owner Granted as part of the Trust Indenture Estate, which result from claims against it not related to the ownership of the Leased Equipment or the administration of the Trust Indenture Estate or any other transaction pursuant to this Indenture or any document in the Trust Indenture Estate.

SECTION 6.06. No Action Except Under Lease, Indenture or Participation Agreement. The Owner and the Loan Trustee agree that they will not manage, control, use, sell, dispose of or otherwise deal with the Leased Equipment or other property part of the Trust Indenture Estate

except (a) as required by the terms of the Lease or the Participation Agreement, (b) in accordance with the express terms hereof or (c) in accordance with written instructions from a Majority in Interest of Purchasers or a Majority in Interest of Investors pursuant to Section 6.01 or 6.02 hereof.

SECTION 6.07. Assigned Documents. The Owner hereby warrants and represents that it will not, except as provided in this Indenture or specifically anticipated and provided for in any of the Assigned Documents, enter into any agreement amending or supplementing any of the Assigned Documents, accept any payment from the Lessee, the Guarantor or any affiliate of any thereof in connection with the transactions contemplated hereby, settle or compromise any claim against the Lessee, the Guarantor or any affiliate of any thereof in connection with the transactions contemplated hereby or arising under the Assigned Documents, or submit or consent to the submission to arbitration of any dispute, difference or other matter arising under or in respect of any of the Assigned Documents. The Owner shall not exercise the remedies of the Lessor under, or terminate or accept a surrender of, the Lease (except as otherwise expressly provided herein). The Owner hereby ratifies and confirms the Assigned Documents, and does hereby agree that it will not take or omit to take any action, the taking or omission of which might result in an alteration or impairment of any of the Assigned Documents, or the assignment herein or of any of the rights created by any of the Assigned Documents or this Indenture. The Owner hereby constitutes the Loan Trustee the true and lawful attorney of the Owner, irrevocably, with full power (in the name of the Owner or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all monies and claims for monies due and to become due under or arising out of any of the Assigned Documents, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Loan Trustee may deem to be necessary or advisable in the premises.

SECTION 6.08. Performance by Loan Trustee. Upon the written instructions of a Majority in Interest of Purchasers, the Loan Trustee shall, upon prior written notice to the Owner, perform any act which is undertaken by the Owner to be performed by the Owner under the Lease or hereunder, but which the Owner shall fail to perform, and may take any other action which a Majority in Interest of Purchasers may deem necessary for the maintenance, preservation, or protection of the Loan Trustee's interest in the Trust Indenture Estate. All moneys advanced and all expenses (including legal fees) incurred by the Loan Trustee or any holder of a Secured Note in connection with such action together with interest at the rate of 16.25% per year, or the maximum lesser rate permitted under applicable law, shall be repaid by the Owner to the Loan Trustee or such holder, as the case may be, upon demand, and shall be

secured hereby as provided herein. The making of such advance by the Loan Trustee or such holder shall not, however, relieve the Owner of liability for any default hereunder until the full amount of all such moneys so advanced and such interest thereon shall have been repaid by the Owner to the Loan Trustee or such holder, as the case may be, and such default shall have otherwise been cured.

SECTION 6.09. Location of Units; Inspection. The Owner shall not intentionally use any Unit outside of the continental United States without the prior written consent of the Loan Trustee, which consent shall be given upon the written instructions of a Majority in Interest of Investors or a Majority in Interest of Purchasers, as the case may be, pursuant to Section 6.02 herein, which instructions shall not be unreasonably withheld. To the extent that the Owner can grant such right, the Loan Trustee shall at all times have the right to enter into and upon any premises wherein any of the Units may be situated for the purpose of locating and inspecting the same, observing its use, and/or otherwise protecting the security interest created herein.

SECTION 6.10 Claims Against Owner. Notwithstanding the provisions of Section 2.03 hereof, the Owner shall indemnify, save and hold harmless all present and future holders of the Secured Notes from and against any reduction in the amount payable out of the Trust Indenture Estate in respect of the amounts payable under the Secured Notes, or other loss, cost or expense incurred by such holders, as a result of the imposition or enforcement of any lien or claim (a) against the Trust Indenture Estate by any taxing authority because of the non-payment by the Owner of taxes imposed on or measured by the net income of the Owner by such taxing authority or (b) against the Owner not related to the ownership of the Leased Equipment.

ARTICLE VII

THE OWNER AND THE LOAN TRUSTEE

SECTION 7.01. Acceptance of Trust and Duties. The Loan Trustee accepts the trust hereby created and applicable to it and agrees to perform the same but only upon the terms of this Indenture and agrees to receive and disburse all moneys constituting part of the Trust Indenture Estate. The Loan Trustee shall not be liable under any circumstances, except for its own willful misconduct or for its gross negligence, and the Loan Trustee shall not be liable for any action or inaction of the Owner.

SECTION 7.02. Absence of Certain Duties. Except in accordance with written instructions or requests furnished pursuant to Section 6.01, 6.02 or 6.05 hereof and except as otherwise provided herein, the Owner and the Loan Trustee shall have no duty (a) to see to any insurance on the Leased Equipment or to effect or maintain any such insurance whether or not the Lessee shall be in default with respect thereto, (b) to see to the payment or discharge of any tax, assessment or other governmental charge or any lien or encumbrance of any kind owing with respect to, or assessed or levied against, any part of the Trust Indenture Estate, (c) to confirm or verify any financial statements of the Lessee or the Guarantor or (d) to inspect the Leased Equipment at any time or ascertain or inquire as to the performance or observance of any covenants of the Lessee, the Guarantor or any affiliate of any of them under the Assigned Documents; provided, however, that the Owner will, upon request by the Loan Trustee, furnish to the Loan Trustee promptly upon receipt thereof duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Owner under the Lease or the Guarantee including, without limitation, a copy of each report or notice from the Lessee received pursuant to Section 6 of the Guarantee to the extent that the same shall not have been furnished to the Loan Trustee pursuant to the Lease or the Guarantee. The foregoing proviso shall not be construed to limit or otherwise affect Section 7.03 hereof.

SECTION 7.03. No Representations or Warranties as to Leased Equipment or Documents. THE OWNER AND THE LOAN TRUSTEE MAKE (a) NO REPRESENTATION OR WARRANTY AS TO THE VALUE, MERCHANTABILITY, CONDITION OR FITNESS FOR USE OF THE LEASED EQUIPMENT OR AS TO THEIR TITLE THERETO, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE LEASED EQUIPMENT WHATSOEVER except that the Owner hereby represents and warrants to the Purchaser that on or prior to each Closing Date the Owner shall have received whatever title was conveyed to it with respect to the Units delivered and accepted under the Lease on such Closing Date and that such Leased Equipment shall be free of liens and encumbrances which may result from acts by or claims against the Owner not contemplated by this Indenture or any document included in the Trust Indenture Estate, and (b) no representation or warranty as to the validity, legality or enforceability of this Indenture, the Secured Notes or any of the Assigned Documents or as to the correctness of any statement contained in any thereof, except as specifically set forth herein or therein.

SECTION 7.04. Further Assurances. The Owner hereby warrants and represents that it has not Granted any of its right, title or interest hereby Granted to anyone other than the Loan Trustee in its capacity as Loan Trustee. The Owner shall remain liable under the Assigned Documents to perform all of the obligations assumed by it thereunder, all in accordance with and pursuant to the terms and provisions thereof and Section 8.01 hereof, and to the knowledge of the Owner it has performed all obligations on its part to be performed under the Assigned Documents on or

prior to the date of execution hereof by the Owner and there has not occurred on or prior to such date any default under any Assigned Document by any party thereto or any event which, but for the lapse of time or the giving of notice or both, would be such default. The Owner will promptly and duly execute and deliver to the Loan Trustee such instruments, documents and assurances, including, without limitation, amendments to Schedules A and B hereto, conveyances, financing statements and continuation statements with respect to financing statements and take such further action as the Loan Trustee may from time to time reasonably request in order to obtain the full benefits of the Grant of the Trust Indenture Estate, to carry out more effectively the intent and purpose of this Indenture, to establish and protect the rights and remedies created or intended to be created in favor of the Loan Trustee and the holders of the Secured Notes hereunder and to create for the benefit of the holders of the Secured Notes a valid first and prior perfected security interest in the Trust Indenture Estate and to protect the Owner's and Loan Trustee's intended interests in the Leased Equipment in the event that, contrary to the parties' intent and belief, the Lease is held to be a security agreement under the Uniform Commercial Code including, without limitation, the prompt recording or filing of counterparts hereof, or of such other documents with respect hereto, in accordance with the laws of such jurisdictions, as the Loan Trustee may from time to time reasonably request.

SECTION 7.05. Reliance; Agents; Advice of Counsel. The Owner and the Loan Trustee shall incur no liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by them to be genuine and believed by them to be signed by the proper party or parties. The Owner and the Loan Trustee may accept copies of resolutions of the Boards of Directors of the Lessee and the Guarantor certified respectively by the Secretary or an Assistant Secretary of the Lessee and the Guarantor as duly adopted and in full force and effect, as conclusive evidence that such resolutions have been duly adopted by said Boards and that the same is in full force and effect. As to any fact or matter dealing with the Lessee the manner of ascertainment of which is not specifically described herein, the Owner and the Loan Trustee may for all purposes hereof rely on a certificate, signed by the President, any Vice President or the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary, of the Lessee as to such fact or matter, and such certificate shall constitute full protection to the Owner and the Loan Trustee for any action taken or omitted to be taken by them in good faith in reliance thereon. The Loan Trustee shall furnish to the Owner upon request such information and copies of such documents as the Loan Trustee may have and as are necessary for the Owner to perform its duties under Article II hereof. In the administration of the trust hereunder, the Owner and the Loan Trustee may each consult with counsel, accountants and other

skilled persons to be selected and retained by it (other than persons regularly in its employ), and the Owner and the Loan Trustee shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other skilled persons.

SECTION 7.06. Not Acting in Individual Capacity. The Loan Trustee acts hereunder solely as trustee as herein provided and not in its individual capacity; and all persons having any claim against the Loan Trustee by reason of the transactions contemplated hereby, except holders of any Securing Note having claims based on the gross negligence or willful misconduct of the Loan Trustee, shall, subject to the lien and priorities of payment as herein provided, look only to the Trust Indenture Estate for payment or satisfaction thereof.

SECTION 7.07. No Compensation from Holders of Secured Notes or from Trust Indenture Estate. The Loan Trustee agrees that (except as provided in Section 6.04 hereof) it shall have no right against the holders of Secured Notes or (except as expressly provided herein) the Trust Indenture Estate for any fee as compensation for its services hereunder. The Loan Trustee acknowledges and agrees that, except as may be specifically agreed upon pursuant to the provisions of Section 6.04 hereof, the holders of the Secured Notes shall have no responsibility or liability for the Loan Trustee's initial and periodic fees and expenses, all of which shall be borne by the Owner; provided that the Owner shall not be obligated to pay any fees or expenses incurred by the Loan Trustee in connection with the resignation or removal of the Loan Trustee pursuant to Section 8.02 hereof.

SECTION 7.08. No Lien on Trust Indenture Estate. The Owner shall have no lien on the Trust Indenture Estate to secure its indemnification pursuant to Section 20 of the Lease. The Loan Trustee shall have a lien on the Trust Indenture Estate to secure its indemnification pursuant to Section 20 of the Lease.

ARTICLE VIII

TRANSFER OF OWNER'S INTEREST; SUCCESSOR TRUSTEES AND SEPARATE TRUSTEES

SECTION 8.01. Transfer of the Owner's Interest. The Owner may assign, convey or otherwise transfer any of its right, title or interest in and to the Leased Equipment or any other part of the Trust Indenture Estate provided the Owner agrees in writing with the Loan Trustee to remain primarily liable for all obligations of the Owner under this Agreement and the Assigned Documents incurred on or before the date of such transfer and to remain secondarily liable for all such obligations incurred thereafter, provided, however, that the Owner need not so agree to remain secondarily liable if such transferee is (a) the Owner's parent, (b) a bank, savings institution or trust company acting for its own account having a capital and surplus of not less than \$50,000,000 or (c) a finance or leasing

company having a net worth of not less than \$30,000,000. In the event of any such assignment, conveyance and transfer, the transferee shall become a party to this Agreement and shall agree to be bound by all the terms of and will undertake all of the obligations of the Owner contained in this Agreement in such manner as is satisfactory to the Loan Trustee. No such assignment, conveyance or transfer shall violate any provision of law or regulation or create a relationship which would be in violation thereof. The Loan Trustee shall not be on notice of or otherwise bound by any such assignment, conveyance or transfer unless and until it shall have received an executed counterpart of the instrument of such assignment, conveyance or transfer. Upon any such disposition by the Owner to a transferee as above provided, the transferee shall be deemed the "Owner" for all purposes hereof, and shall be deemed to have made all the payments previously made by its transferor and to have acquired the same interest in the Trust Indenture Estate as theretofore held by its transferor; and each reference herein to the Owner shall thereafter be deemed a reference to such transferee.

SECTION 8.02. Resignation or Removal of Loan Trustee; Appointment of Successor. (a) The Loan Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Owner and each holder of a Secured Note, such resignation to be effective on the date specified in such notice. In addition, a Majority in Interest of Purchasers may at any time remove the Loan Trustee without cause by an instrument in writing delivered to the Owner and the Loan Trustee. In the case of the resignation or removal of the Loan Trustee, a Majority in Interest of Purchasers may appoint a successor Loan Trustee by an instrument signed by such holders. If a successor Loan Trustee shall not have been appointed within 30 days after such resignation or removal, the Loan Trustee or any holder of a Secured Note may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor shall have been appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall be a bank having trust powers or a trust company having its principal place of business in the continental United States and having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Loan Trustee hereunder upon reasonable or customary terms.

SECTION 8.03. Successor Acceptance of Appointment. Any successor Loan Trustee, whether appointed by a court or by a Majority in Interest of Purchasers, shall execute and deliver to the predecessor Loan Trustee an instrument accepting such appointment, and thereupon such successor Loan

Trustee, without further act, shall become vested with all the estate, properties, rights, powers and duties of the predecessor Loan Trustee hereunder in the trusts hereunder applicable to it with like effect as if originally named the Loan Trustee herein; but nevertheless upon the written request of such successor Loan Trustee such predecessor Loan Trustee shall execute and deliver an instrument transferring to such successor Loan Trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights and powers of such predecessor Loan Trustee and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all moneys or other property then held by such predecessor Loan Trustee hereunder.

SECTION 8.04. Successor Loan Trustees by Merger. Any corporation into which the Loan Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Loan Trustee shall be a party, or any corporation to which substantially all the business of the Loan Trustee may be transferred, shall, subject to the terms of Section 8.02(b), be the Loan Trustee under this Indenture without further act.

SECTION 8.05. Appointment of Additional, Separate and Co-Trustees. (a) Whenever the Loan Trustee shall deem it necessary or prudent in order to conform to any law of any jurisdiction in which all or any part of the Trust Indenture Estate shall be situated, or the Loan Trustee shall be advised by counsel, satisfactory to it, that it is so necessary or prudent in the interest of the holders of the Secured Notes, or in the event that the Loan Trustee shall have been requested to do so by a Majority in Interest of Purchasers, the Loan Trustee and the Owner shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to constitute another bank or trust company or one or more persons approved by the Loan Trustee, either to act as additional trustee or co-trustee of all or any part of the Trust Indenture Estate jointly with the Loan Trustee or to act as separate trustee or co-trustee of all or any part of the Trust Indenture Estate, in any such case with such powers as may be provided in such indenture supplemental hereto, and to vest in such bank, trust company or person as such additional trustee, separate trustee, co-trustee or separate co-trustee, as the case may be, any property, title, right or power of the Loan Trustee deemed necessary or advisable by the Loan Trustee, subject to the remaining provisions of this Section 8.05. In the event the Owner shall not have joined in the execution of such indenture supplemental hereto within 15 days after the receipt of a written request from the Loan Trustee so to do, or in case an Event of Default shall occur and be continuing, the Loan Trustee may act under the foregoing provisions of this Section 8.05 without the concurrence of the Owner; and the Owner hereby appoints the Loan Trustee its agent and attorney to act for it under the foregoing provisions of this Section 8.05 in either of such contingencies. The Loan Trustee may

execute, deliver and perform any conveyance, assignment or other instrument in writing as may be required by any additional trustee, separate trustee, co-trustee or separate co-trustee for more fully and certainly vesting in and confirming to it or him any property, title, right or power which by the terms of such indenture supplemental hereto are expressed to be conveyed or conferred to or upon such additional trustee, separate trustee, co-trustee or separate co-trustee, as the case may be, and the Owner shall, upon the Loan Trustee's request, join therein and execute, acknowledge and deliver the same; and the Owner hereby makes, constitutes and appoints the Loan Trustee its agent and attorney-in-fact for it and in its name, place and stead to execute, acknowledge and deliver any such deed, conveyance, assignment or other instrument in the event that the Owner shall not itself execute and deliver the same within 15 days after receipt by it of such request so to do.

(b) Every additional trustee or co-trustee and separate trustee or co-trustee hereunder shall, to the extent permitted by law, be appointed and act and the Loan Trustee shall act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred and imposed herein upon the Loan Trustee in respect of the receipt, custody, investment and payment of moneys shall continue to be exercised solely by the Loan Trustee;

(ii) all other rights, powers and obligations conferred or imposed herein upon the Loan Trustee shall be conferred or imposed upon and exercised or performed by the Loan Trustee and such additional trustee or co-trustee and separate trustee or co-trustee jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Loan Trustee shall be incompetent or unqualified to perform such act or acts, such rights, powers, duties and obligations (including the holding of title to the Trust Indenture Estate in any such jurisdiction) shall be exercised and performed by such additional trustee or co-trustee or separate trustee or co-trustee; and

(iii) no power hereby given to, or with respect to which it is provided hereby, may be exercised by any such additional trustee or co-trustee or separate trustee or co-trustee shall be exercised hereunder by such additional trustee or co-trustee or separate trustee or co-trustee except jointly with, or with the consent of, the Loan Trustee.

If at any time the Loan Trustee shall deem it no longer necessary or prudent in order to conform to any such law or shall be advised by such counsel that it is no longer necessary or prudent in the interest of the holders of the Secured Notes or in the event that the Loan Trustee shall have been requested to do so in writing by a Majority in Interest of

Purchasers, the Loan Trustee and the Owner shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper or to remove any additional trustee or co-trustee or separate trustee or co-trustee. In the event that the Owner shall not have joined in the execution of such instruments or agreements or such indenture supplemental hereto, the Loan Trustee may act on behalf of the Owner to the same extent provided above.

(c) Any additional trustee or co-trustee or separate trustee or co-trustee may at any time by an instrument in writing constitute the Loan Trustee its agent or attorney-in-fact, with full power and authority, to the extent which may be authorized by law, to do all acts and things and exercise all discretions which it is authorized or permitted to do or exercise, for and in its behalf and in its name. In case any such additional trustee or co-trustee or separate trustee or co-trustee shall resign or be removed, or, if for any reason such office shall become vacant, all the assets, property rights, powers, trusts, duties and obligations of such additional trustee or co-trustee or separate trustee or co-trustee, as the case may be, in respect of the Trust Indenture Estate, so far as permitted by law, shall vest in and be exercised by the Loan Trustee, without the appointment of a new successor to such additional trustee or co-trustee or separate trustee or co-trustee unless and until a successor is appointed in the manner hereinabove provided.

(d) Any request, approval or consent in writing by the Loan Trustee to any additional trustee or co-trustee or separate trustee or co-trustee shall be sufficient warrant to such additional trustee or co-trustee or separate trustee or co-trustee, as the case may be, to take such action as may be so requested, approved or consented to.

(e) Each additional trustee or co-trustee and separate trustee or co-trustee appointed pursuant to this Section shall be subject to, and shall have the benefit of, Articles III, IV, V, VI, VII and VIII hereof insofar as they apply to the Loan Trustee.
